LIGHT OF HOPE FOOD DRIVE

Sir Knights

The Thanksgiving and Christmas holidays are fast approaching. During the holidays, many, who have fallen on hard times, are in need of Hope, Faith and Understanding. Even in the worst moments of despair, God has always shown his intervention in mysterious ways. As Christian Knights and Stewards of our Lord, let us be pro-active and practice the Chivalric and Christian values we hold so dear and kindle the light of hope to those in need.

As the Right Eminent Grand Commander, I am requesting the assistance of all Knights Templar and their Ladies within this great jurisdiction of Florida to collect canned and non-perishable food items beginning October 1st until December 23rd. We encourage you to extend this Food Drive to our brethren in the Masonic fraternity. The Constituent Commandery must decide on a date either before Thanksgiving or Christmas and donate the items to a local Food Bank of your choice in the name of your local York Rite Bodies. All we ask in return is for your Commandery to send a short report indicating how many pounds were donated to the District Deputy Grand Commander of your Chivalric District.

Thank you my Fraters for your support and assistance with this drive. Your contributions will help many in need. May our Lord, bless you and your love ones for all your acts of kindness and giving towards all mankind.

Courteously,
